Aegean View Estate

Faliraki, Rhodes

Aegean View Estate has a total area of 5 acres and is located in a quiet area with unobstructed sea views, on a green hill in Faliraki, Rhodes.

Apart from the wonderful view and the idyllic environment of the estate, the close distance from the city of Rhodes, the port and the airport are important for the convenience of your guests.

The most important asset of the estate is of course the Aegean, while the stone arches and lush natural landscape create a romantic and elegant atmosphere. The spacious outdoor areas are ideal to host the wedding or reception of your dreams.

The estate is close to many well known Christian Orthodox churches, where marriages take place.

On the estate there is also a private church, a temple devoted to Panagia Malevi, whose handmade hagiographies are characterized by harmony, interiority, symbolism and religious emotion.

Every August 15th, a divine service is held here in anticipation celebrating the Assumption of the Virgin Mary.
